

CAMPBELL COUNTY SCHOOL DISTRICT ATTENDANCE AREA CHANGE REQUEST

The Campbell County Board of Trustees has established attendance areas for all students attending schools in Campbell County School District. There may be situations on an annual basis in which attendance area changes would be permissible.

When making an attendance area change request, the student's parent/guardian is to complete this form and submit it to the appropriate building administrator. The building administrator will analyze the request and notify the parent/guardian of the decision regarding the attendance area change request.
